

# PEDIATRIC CARDIOLOGY

**Dr. James Goldsmith**  
PEDIATRIC CARDIOLOGIST

We are excited to be able to care for your keiki with heart problems. Dr. James Goldsmith is a General Pediatrician with additional fellowship training in Pediatric Cardiology. He's been caring for children with heart problems since 2013. We care for patients up to age 18 with the following conditions:

**Murmurs      Irregular heart beat      Chest pain      Palpitations**  
**Hypertension      Syncope      Abnormal ECG**

**Family history of cardiomyopathy, sudden death or other cardiovascular concerns**

**If you would like your keiki to be under Dr. Goldsmith's pediatric cardiology care, ask your healthcare team to refer your child to the East Hawaii Health Clinic. They can speak to our referrals section directly by calling 808.932.3730.**

**The East Hawaii Health Clinics in Hilo, Kea`au, Pahoia and Ka`u provide excellent care for keiki. Our primary care providers offer annual well child check-ups, vaccinations, and sports physicals. We care for children with acute illnesses, chronic problems, and minor injuries.**
